Cooking Instructions

Deep Fryer:

In a deep fryer or skillet, preheat enough oil at 350-360 °F (177-182 °C) to cover Tequeños. Add frozen Tequeños to the fryer. Fry for 3 to 4 minutes or until golden. Drain excess oil on paper towel. Add salt to taste. Fry from frozen, do not thaw. We do not recommend cooking product in a microwave oven.

USE CAUTION:

Ice crystal on frozen foods can splatter when cooked in hot oil. To avoid risk of injuries, add product to the fryer with caution, carefully remove it from fryer after cooking, and let it cool for one minute before serving.
