Cooking Instructions

Please consider before cooking: Keep frozen until use. Appliance temperatures may vary. Please consider the performance of your appliance when following these cooking directions.

Use as an ingredient in recipes: Thaw mash and mix as required. This product should be cooked by the consumer prior to consuming.

Microwave: Place sweet potato in a microwave safe container, add ¼ cup of water per serving, cover with lid and cook for 3-5 minutes on high. Please take notice that heating capacity varies among microwaves
