Cooking Instructions

Please consider before cooking:	Keep frozen until use. Appliance temperatures may vary. Please consider the performance of your appliance when following these cooking directions.
Restaurant use/commercial fryers:	Heat the oil in the pan or fryer to 350°F / 175°C. Place the sweet potato hash brown patties into the basket and cook for 2½ - 3½ minutes, until they're crisp and light golden. Lift the basket, shake off the oil, place on a plate lined with a paper towel and season to taste.
Conventional Oven:	Preheat oven to 425°F. Arrange frozen hash browns evenly on a shallow baking pan. Bake for 15 to 20 minutes, turning once for uniform cooking until browned. Turn product halfway through baking time. Serve warm.
CAUTION!! Ice crystals on frozen foods can splatter when cooked in hot oil. To avoid risk of injuries, add product to the fryer with caution, carefully remove it from fryer after cooking, and let it cool for one minute before serving. Always wear protective eyewear and clothing to prevent injury from potential hot oil splattering.
